We Are Proudly All In For You!

CUSTOM DECORATION

We have a wide range of options for container decoration. Pad printing, screen printing, pressure-sensitive labeling, and full heat shrink labels to help you achieve the perfect design for your brand.

CUSTOM MOLDS

Custom molds are ideal for unique packaging when you can't quite seem to find what you are looking for in the marketplace. Our team of packaging experts and designers can create the right mold to fit your brand.

FULFILLMENT

Save time, money & inventory costs with specialized fulfillment services with our experienced & reliable team. We offer pick, pack and shipping services.

JUST-IN-TIME DELIVERY

Our service offerings include on-site warehousing, forecasting & planning, JIT delivery and blanket PO scheduled product releases providing our customers with maximum flexibility and cost savings.

UN Packaging Testing

With our own on-site, UN/ISTA certified Package Testing Laboratory, we offer a single source purchasing experience that is fast and cost-effective. Our testing capabilities include: vibration, drop, hydrostatic pressure, stacking, and environmental conditioning testing.

OUR CUSTOMERS

Great people & competitive prices. The employees are knowledgeable and friendly. Consistently great service!

The best customer service! My orders are always handled in a prompt manner and are correct, a very well managed business.

They know packaging! From technical performance to brand management they are always able to answer my questions.

The best place to pick-up. Less than 30 minutes and very friendly!

OUR COMPANIES

NOVVIA GROUP

THE NEW WAY OF PACKAGING

Inmark is a trusted source for rigid container, dangerous goods, and life sciences packaging solutions and training that ensure the safe and reliable storage and transport of hazardous materials.

C.L. Smith Company is a premier, full-service manufacturer, UN Certifier, & full stocking distributor of high-quality and cost-effective packaging materials and rigid containers.

Silver Spur Corporation is a leading stocking distributor of core rigid packaging, with a portfolio of high-quality glass containers and closures in amber, cobalt blue, green, and flint colors.

Container Supply, Inc. is a major stocking distributor of cans, drums, pails, bottles, and other rigid packaging products serving a variety of customers and end-use markets.

Fox Valley Containers is a large stocking distributor of cans, pails, drums, bottles, jars, & other rigid packaging products with high levels of service to a long-tenured customer base in the Upper Midwest.

Rhino Container is a distributor of rigid packaging & packaging products for over 30 years in the West Coast Region. Ampac, a Rhino Container Company, is a supplier of packaging materials and shipping & industrial supplies.

Novvia Group Canada, originally Andicor's Container Distribution, is a distributor of rigid packaging and packaging products with a history of unparalleled service through trusted partnerships and a broad national reach.

Southern Container is a distributor of IBCs, plastic and steel pails and drums, bottles, tinplate, and other rigid packaging products as well as an IBC reconditioner for their customers.

Rahway Steel Drum is an industrial rigid packaging distributor and also a fully licensed container re-conditioner with a fleet of over 250 trailers to provide JIT delivery for their customers.
